Assignment 8: Recreating Your Site With Express & Handlebars

Javier Sin Pelayo

URL (main branch): https://github.com/javisin22/csc372_projects
URL (client_site_express_v1):
https://github.com/javisin22/csc372_projects/tree/client_site_express_v1
URL (client_site_express_v2):
https://github.com/javisin22/csc372_projects/tree/client_site_express_v2
URL (live sites): here

As my main page is the version for React + Next.js, I've recreated an earlier and simpler version for this assignment.

Part III: Hosting Your Site

The live sites are hosted in *Render*. Here's the link to access them:

- Express: https://mynodesite-assignment-7.onrender.com/
- Express & Handlebars: https://mynodesite-express-v2.onrender.com
